Dear J. P. and Tim:

On behalf of KVC Behavioral HealthCare Nebraska, Inc., I thank you for your expertise and guidance in helping us secure office space in Omaha for our Nebraska headquarters and service center. The location had to be accessible for our local clients and employees as well as stakeholders traveling to and from Omaha on a regular basis. We required good quality at a reasonable cost and, as is so often the case, our time was limited. Our new space meets all our objectives, and we are very pleased. As a business entering a new market, the knowledge and information you provided were instrumental in our location selection.

The KVC team is made up of tremendously dedicated individuals, and your expertise, professionalism and hard work throughout the process were a good match for us. Whether you were assisting with site selection, contract negotiation, contractor selection or floor plan and furniture decisions, we felt you were working for KVC's best interest at all times. We had to accomplish so much in a very short time frame, and your focus on the task at hand, organizational skills and attention to detail made it possible.

Thank you again for your integrity and hard work. We look forward to a continued relationship well into the future.

Sincerely,

B. Wayne Sims  
CEO
