Re: Letter of Recommendation for Brian Kuehl

During the past five years, Brian J. Kuehl of Investors Realty, Inc., has played a pivotal role in helping Complete Nutrition negotiate approximately \$2 million in leases for our corporate and franchise retail locations.

While negotiating new and renewal leases, Brian has been able to reduce our overhead costs significantly. The result for us is a more profitable bottom line.

We have found Brian to be fair, honest and professional in every transaction. Brian understands our needs, works hard on our behalf and is provides us with consistent results in every negotiation.

We feel confident in recommending Brian's work.

Feel free to contact me with any further information or questions.

Sincerely,

A handwritten signature in black ink that reads "Cory J. Wiedel".
