Involved in commercial real estate Since 1985, Lee has specialized in marketing industrial properties and investment real estate. Lee earned his CCIM designation, which is awarded based on completion of graduate level coursework and high productivity. He joined Investors Realty, Inc. in 1990 as an industrial broker and asset manager overseeing the management, financing, capital expenditures and re-leasing of a large portfolio of real estate investments.

Lee's strengths are his long-time relationships with his clients as well as his community involvement in real estate, business, and community groups which helps him keep abreast of the trends in the area. Knowing the market allows him to help clients fulfill their needs and financial goals.

Lee currently has responsibility for industrial leasing and sales on properties covering the Omaha Metro Area.
