JASON VELINSKY

DIRECTOR

“Owners often have a preference for their level of involvement in projects. Our project management service allows owners the luxury of making decisions without having to gather multiple bids, vet contractors, monitor vendors and keep people on schedule.

Owners benefit from the combined efforts and knowledge of our brokers and property managers when working with project management.

Whether you are merely moving down the hall or completing a major build or remodel, project management will assure you are receiving fair vendor pricing from quality contractors.”
