## INVESTORS REALTY INVESTING IN OMAHA'S FUTURE

Each summer, Investors Realty hires 3-4 motivated interns to work alongside our experienced commercial real estate brokers. Interns gain hands-on exposure to brokerage, market research, property tours, and client-focused projects. The program provides a professional development experience designed to prepare students for future careers in real estate, business, or related fields.

### WHAT INTERNS WILL LEARN

- » How brokerage works in commercial real estate
- » Market research and property analysis
- » Exposure to property tours and client meetings
- » Networking with seasoned brokers and industry leaders
- » Team collaboration and professional workplace skills

### WHY INVESTORS REALTY | WE KNOW OMAHA:

- » One of Omaha's leading full-service commercial real estate firms
- » Decades of experience and a client-focused mission
- » A collaborative culture where interns are treated as part of the team
